

General Warranty Conditions

The warranty applies to the original purchaser from the date of purchase and covers manufacturing faults and defects only. If an item should fail as a result of a manufacturing fault or defect under normal domestic use, the manufacturer at their discretion will repair, refinish or replace the failed item.

The manufacturer reserves the right to substitute failed items with a similar product should the model or colour no longer be available. Any replacement will be for the failed item only, not a complete set. The original warranty period is not extended in the event of a repair, refinish or replacements.

In the event of a failure, it is the customer's responsibility to return the item to the store of purchase along with a copy of the receipt. Warranty specifically excludes general wear and tear, rusting of steel components and parts, corrosion, commercial use and damage caused as a result of failure to observe reasonable care, maintenance and assembly instructions for both furniture and hardware.

- Please keep weave away from sources of extreme heat and naked flames
- Do not sit or stand on this table
- We recommend cleaning this product periodically with warm, soapy water and a cloth or non-abrasive brush. Do not use harsh or abrasive chemicals
